GENERAL TERMS AND CONDITIONS

1. **Closing a contract**
   Our offers are subject to change and are valid only after verbal or written confirmation that they have been accepted by us. In all cases in which punctual delivery is prevented through no fault of our own, we are relieved of the obligation to deliver.

2. **Rental equipment**
   Rental items are provided only for the stated purpose and period of time. Subletting is not permitted. Extending the rental duration requires approval from the lessor. The renter shall inspect the item immediately and report any flaws which do not correspond to the condition stated by the lessor at the time of rental. Failure to report such flows shall constitute confirmation that the item is free of defects. The same applies to the lessor upon return of the item.

3. **Prices**
   The price of the rental item is calculated according to the duration of the rental period. All prices are net and do not include VAT. The rental fee is payable in full no later than the day the item is delivered. If the renter is more than one month in arrears, the renter shall be charged a default interest rate equal to the discount rate of the Deutsche Bundesbank plus 4 basis points. Cheques, bills, and related means of payment will be accepted as fulfillment of payment. Any costs for collection, discount fees, and reversal debits incurred shall be borne by the debtor. The lessor reserves the right to refuse delivery in the event of default of payment, or to retrieve previously delivered rental items before the end of the rental period.

4. **Liability**
   For lost rental items, the renter is liable in the amount of its replacement value; for damage to the leased objects he or she is liable in the amount of the cost of repairs, provided this does not exceed the replacement value. The lessor's right to claim further damages remains unaffected. The renter is obligated to insure the rental property against theft and vandalism. This insurance is also possible at the cost of the lessor for trade fairs. The renter's liability begins with the delivery of the rental item and ends once it has been picked up. The renter is responsible for the rental item until it is transferred back to the lessor. At trade fairs this provision applies for up to 48 hours after close of the fair, or by arrangement.

5. **Cancellation**
   Orders may be cancelled up to 14 calendar days before the agreed delivery date. If they are cancelled at any time thereafter, the full rental fee may be charged. However, if the item can be rented to a third party, only the costs incurred to this date will be charged.

6. **Guarantee**
   Any liability on the part of the lessor for property damage or personal injury in connection with the rental use is limited to intent and gross negligence. The lessor provides inspected and approved, but second-hand, furniture. In spite of the utmost care, it is possible that damages will occur during transport. The lessor is obligated to provide a replacement in the event of valid complaints. The renter must report faults by 4.30pm on the day prior to the beginning of the event, otherwise claims for a replacement or compensation cannot be acknowledged. Changes to the specified dimensions, shapes and colours are reserved.

7. Additional rental conditions apply for the rental of tents and crockery.

Place of jurisdiction is Berlin, Germany.
